

ZOOM CLOUD MEETING APP INSTALLATION AND CONFIGURATION

Step 1 . Download the Zoom Cloud App from the Google Play Store. Please refer all the screenshots below -

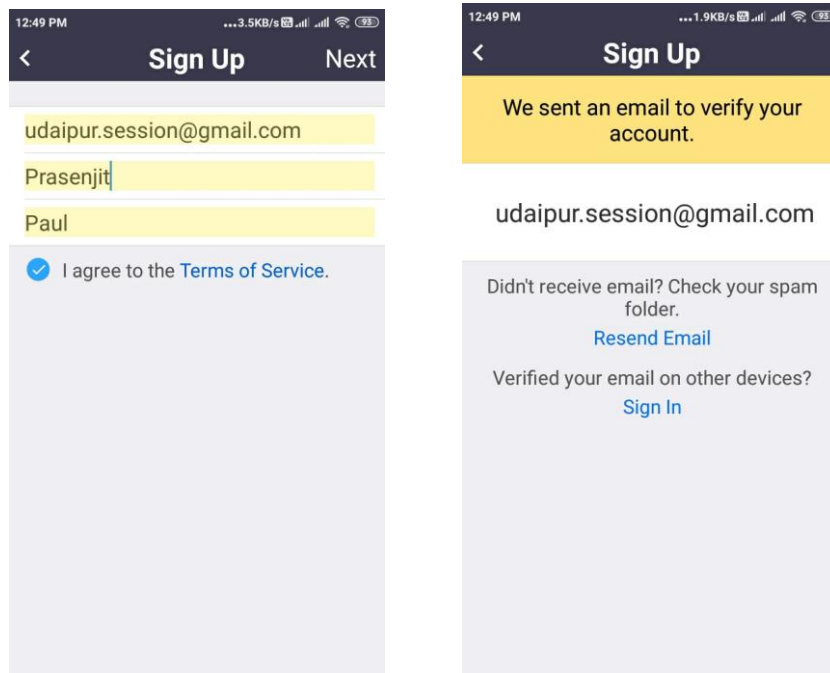

Step 2. Configure the Zoom Cloud App for the first time by using EMAIL ID (any domain).

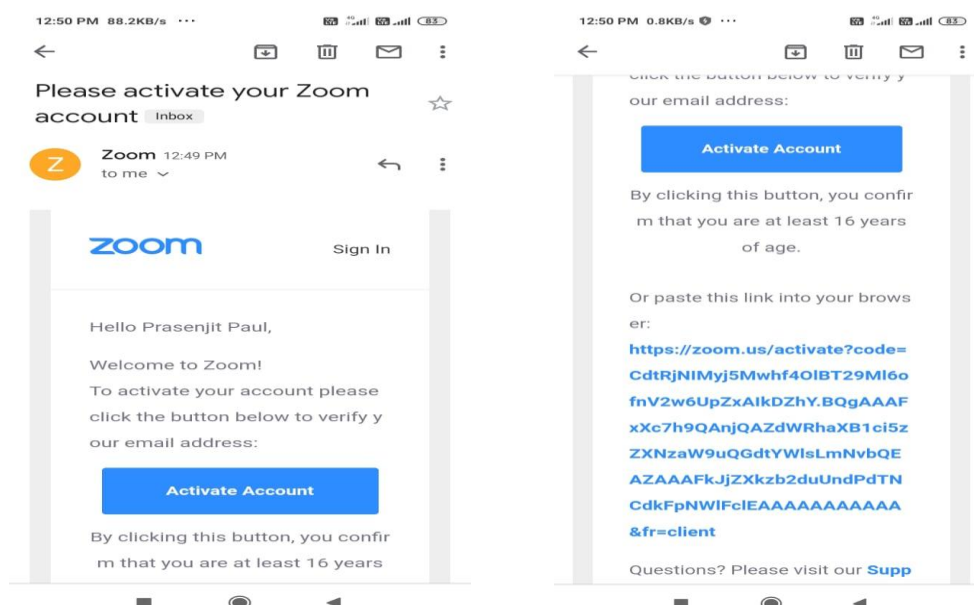

- Open the App “Zoom Cloud Meeting”

- Click on the “Sign Up” option of the App. The screen will show like this –

- Enter your “**email address, first name and last name**” and check the option button “**I agree to the Terms of Service**” and click on the “Next” button. After clicking next button a link will be sent to the email address for the activation of the App.
- Click on the link which was sent in email. Open your email account and check your INBOX for the email sent from ZOOM. The email screen will show like this –

- Click on the link to activate the ZOOM App Account. After clicking on the link the screen will be like this -
