- (g) the person itself, its promoters, its directors, its key managerial personnel, and persons holding more than 5%, directly or indirectly, of its paid-up equity share capital or its total voting power, are fit and proper persons:

REGN. 5]

*Explanation.*—For determining whether a person is fit and proper under these regulations, the Board may take account of relevant considerations, including—

- (i) integrity, reputation and character,
- (ii) absence of conviction by a court for an offence:

Provided that a person may be considered 'fit and proper' if he has been sentenced to imprisonment for a period of less than six months;

Provided that a person shall not be considered 'fit and proper' if he has been sentenced to imprisonment for a period (a) of not less than six months, but less than seven years and a period of five years has not elapsed from the date of expiry of the sentence, or (b) of seven years or more.

- (iii) absence of restraint order, in force, issued by a financial sector regulator or the Adjudicating Authority, and
- (iv) financial solvency.

**4. Application for registration or renewal thereof.**—(1) A person eligible for registration as an information utility may make an application to the Board in Form A of the Schedule, along with a non-refundable application fee of five lakh rupees.

(2) An information utility seeking renewal of registration shall, at least six months before the expiry of its registration, make an application for renewal in Form A of the Schedule, along with a non-refundable application fee of five lakh rupees.

(3) The Board shall acknowledge an application made under this regulation within seven days of its receipt.

**5. Disposal of application.**—(1) The Board shall examine the application, and give an opportunity to the applicant to remove the deficiencies, if any, in the application.

(2) The Board may require the applicant to submit, within reasonable time, additional documents or clarification that it deems fit.

(3) The Board may require the applicant to appear, within reasonable time, before the Board in person, or through its authorised representative for clarifications required for processing the application.

(4) If the Board is satisfied, after such inspection or inquiry as it deems necessary, that the applicant—

- (a) is eligible under Regulation 3;
- (b) has the technical competence and financial capacity required to function as an information utility;
- (c) has adequate infrastructure to provide services in accordance with the Code;
- (d) has in its employment, persons having adequate professional and other relevant experience, to provide services in accordance with the Code; and

- (e) has complied with the conditions of the certificate of registration, if he has submitted an application for renewal under Regulation 4(2),

it may grant or renew a certificate of registration to the applicant as an information utility in Form B of the Schedule, within sixty days of receipt of the application, excluding the time given by the Board for removing the deficiencies, or presenting additional documents or clarifications, or appearing in person, as the case may be.

(5) If, after considering an application made under Regulation 4, the Board is of the prima facie opinion that the registration ought not to be granted or ought not to be renewed, or be granted or renewed with additional conditions, it shall communicate the reasons for forming such an opinion within forty five days of receipt of the application, excluding the time given by the Board for removing the deficiencies, presenting additional documents or clarifications, or appearing in person, as the case may be.

(6) The applicant shall submit an explanation as to why its application should be accepted within fifteen days of the receipt of the communication under sub-regulation (5), to enable the Board to form a final opinion.

(7) After considering the explanation, if any, given by the applicant under sub-regulation (6), the Board shall communicate its decision to—

- (a) accept the application, along with the certificate of registration; or
- (b) reject the application by an order, giving reasons thereof

within thirty days of receipt of explanation.

(8) The order rejecting an application for renewal of registration shall require the information utility to—

- (a) discharge any pending obligations;
- (b) continue its functions till such time as may be directed, to enable its users to transfer information stored with it to another information utility; and
- (c) comply with any other directions as considered appropriate.

**6. Conditions of registration.**—(1) The certificate of registration shall be valid for a period of five years from the date of issue.

(2) The certificate of registration shall be subject to the conditions that the information utility shall—

- (f) the Board;
- (g) any person authorised to access the information under any other law; and
- (h) any other person who the persons referred to in (a), (b) or (c) have consented to share the information with.

(2) An information utility shall in all cases enable the user to view—

- (a) the date the information was last updated;
- (b) the status of authentication; and
- (c) the status of verification while providing access to the information.

(3) An information utility shall provide information to the Adjudicating Authority and Board free of charge.

**24. Accessing information stored with other information utilities.**—(1) An information utility shall provide a functionality to enable users to access information stored with any information utility, which they are entitled to access.

(2) The functionality under sub-regulation (1) shall enable other information utilities to provide access to information to the user directly.

(3) The functionality shall ensure privacy and confidentiality of information.

**25. Annual statement.**—(1) An information utility shall provide every user an annual statement of all information pertaining to the user, free of charge.

(2) An information utility shall provide the user a functionality to mark information as erroneous and correct it.

**26. Porting information from registries.**—(1) An information utility may import information from such registries as may be notified by the Board from time to time.

(2) An information utility shall render the core services under Section 3(9)(b), (c) and (d) in accordance with these regulations for the information imported under sub-regulation (1).

**27. Duties of the user.**—<sup>12</sup>[(1) A user, who has submitted information in Form C of the Schedule to an information utility, shall submit the information updated as on the last day of every month, in the first week of following month:

Provided that information of default shall be updated within seven days of occurrence of default.]

(2) A user shall expeditiously correct information as soon as it finds it erroneous, stating the reasons, if any.

12. Subs. by Noti. No. IBBI/2021-22/GN/REG072, dt. 13-4-2021 (w.e.f. 13-4-2021). Prior to substitution it read as:

“(1) A user shall expeditiously update the information submitted by it to an information utility.”

## CHAPTER VI

## DUTIES OF INFORMATION UTILITIES

**28. General duties.**—(1) An information utility shall provide services with due and reasonable care, skill and diligence.

(2) An information utility shall hold the information as a custodian.

**29. Non-discrimination.**—An information utility shall provide services without discrimination in any manner.

*Explanation.*—An information utility shall not deny its services to any person on the basis of—

- (a) place of residence or business; or
- (b) type of personality, whether natural or artificial.

**30. Other duties.**—(1) An information utility shall—

- (a) provide services to a user based on its explicit consent;
- (b) guarantee protection of the rights of users;
- (c) establish adequate procedures and facilities to ensure that its records are protected against loss or destruction;
- (d) adopt secure systems for information flows;
- (e) protect its data processing systems against unauthorised access, alteration, destruction, disclosure or dissemination of information; and
- (f) transfer all the information submitted by a user, and stored with it to another information utility on the request of the user.

(2) An information utility shall not—

- (a) outsource the provision of core services to a third-party service provider;
- (b) use the information stored with it for any purpose other than providing services under these regulations, without the prior approval of the Board;
- (c) seek data or details of users except as required for the provision of the services under these regulations.

**31. Insurance.**—An information utility shall make adequate arrangements, including insurance, for indemnifying the users for losses that may be caused to them by any wrongful act, negligence or default of the information utility, its employees or any other person whose services are used for the provision of services under these regulations.

**32. Fee.**—(1) The information utility shall—

- (a) charge uniform fee for providing the same service to different users;
- (b) disclose the fee structure for provision of services on its website; and
- (c) disclose any proposed increase in the fees for the provision of services on its website at least three months before the increase in fees is effected.

(2) The fee charged for—

- (a) providing services shall be a reasonable reflection of the service provided; and

- (b) providing access to information shall not exceed the fee charged for submission of information to the information utility.

**33. Risk management.**—An information utility shall establish an appropriate risk management framework in accordance with the Technical Standards, if any, which provides for matters, including—

- (a) reliable, recoverable and secure systems;  
(b) provision of core services during disasters and emergencies; and  
(c) business continuity plans which shall include disaster recovery sites.

**34. Audit of information technology framework.**—(1) An information utility shall appoint an external auditor having relevant qualifications to audit its information technology framework, interface and data processing systems every year.

(2) The auditor appointed under sub-regulation (1) shall submit a report to the Governing Board.

(3) The information utility shall submit the report received under sub-regulation (2), along with the comments of the Governing Board, if any, to the Board within one month from the receipt of the report from the external auditor.

**35. Preservation Policy.**—(1) An information utility shall have a Preservation Policy providing for the form, manner and duration of preservation of—

- (a) information stored with it; and  
(b) details of the transactions of the information utility with each user in respect of the information stored with it.

(2) The Preservation Policy shall be consistent with the Technical Standards, if any.

**36. Provision of information to the Board.**—(1) An information utility shall provide such information as may be required by the Board.

(2) Without prejudice to the provisions of sub-regulation (1), an information utility shall provide a report to the Board annually, in the manner directed by the Board, stating the—

- (a) number and types of records collected;  
(b) number and types of users registered;  
(c) number and types of unique debts recorded;  
(d) number and types of security interests recorded;  
(e) volume of debts recorded;  
(f) volume of secured debts recorded;  
(g) number of instances and types of defaults recorded;  
(h) number and types of disputes recorded;  
(i) number of times information was accessed by the Adjudicating Authority and Board; and  
(j) any other information as may be directed by the Board.

<sup>13</sup>**36-A. Publication of statistical information.**—(1) An information utility shall publish statistics relating to debt related information in its possession, quarterly.

(2) The statistics in sub-regulation (1) shall provide distribution of debts in terms of currency, geography, sector, size, tenor, type, lending arrangement, and incidence of default.]

**37. Inspection.**—(1) Without prejudice to the provisions of Sections 217-220, the Board shall inspect an information utility with such periodicity as may be considered necessary.

(2) An information utility shall extend all assistance and cooperation to the Board to carry out an inspection under sub-regulation (1).

## CHAPTER VII

### SERVICES TO INSOLVENCY PROFESSIONALS

**38. Storing information submitted by insolvency professionals.**—(1) An insolvency professional may submit reports, registers and minutes in respect of any insolvency resolution, liquidation or bankruptcy proceedings to an information utility for storage.

(2) The information utility shall not provide access to the reports, registers and minutes submitted under sub-regulation (1) to any person other than the concerned insolvency professional, the Board or the Adjudicating Authority.

(3) The information utility shall discharge the duties specified in Chapter VI in respect of the reports, registers and minutes submitted under sub-regulation (1).

## CHAPTER VIII

### SURRENDER OR CANCELLATION OF REGISTRATION

**39. Exit management plan.**—(1) An information utility shall, at all times, have an exit management plan which shall include—

- (a) mechanisms to enable users to transfer information to other information utilities expeditiously;
- (b) mechanisms for preservation and transfer of information; and
- (c) timelines and cost estimates of implementing the exit management plan.

(2) An information utility shall not amend its exit management plan without the prior approval of the Board.

**40. Surrender of registration.**—(1) An information utility may submit an application for surrender of its certificate of registration to the Board, providing—

- (a) the reasons for such surrender;
- (b) details of its pending and on-going activities; and
- (c) details of how the exit management plan shall be implemented.

(2) The Board shall within seven days of receipt of the application, publish a notice of receipt of such application on its website and invite objections to the surrender of registration to be submitted within fourteen days of the publication of the notice.

(3) After considering the application and the objections received, if any, the Board may, within thirty days from the last date for submission of objections, approve the application for surrender of registration subject to such conditions as it deems fit.

(4) The approval under sub-regulation (3) may require the information utility to—

- (a) discharge any pending obligations; or
- (b) continue such functions till such time as may be directed.

(5) The Board, after being satisfied that the requirements of sub-regulation (4) have been complied with, shall publish a notice on its website stating that the surrender of registration by the information utility has taken effect.

**41. Disciplinary proceedings.**—(1) Based on the findings of an inspection or investigation, or on material otherwise available on record, if the Board is of the prima facie opinion that sufficient cause exists to take actions permissible under Section 220, it shall issue a show-cause notice to the information utility.

(2) The show-cause notice shall be in writing and shall state—

- (a) the provisions of the Code under which it has been issued;
- (b) the details of the alleged facts;
- (c) the details of the evidence in support of the alleged facts;
- (d) the provisions of the Code allegedly violated, or the manner in which the public interest has allegedly been affected;
- (e) the actions or directions that the Board proposes to take or issue if the allegations are established;
- (f) the manner in which the information utility is required to respond to the show-cause notice;
- (g) consequences of failure to respond to the show-cause notice within the given time; and
- (h) procedure to be followed for disposal of the show-cause notice.

(3) The show-cause notice shall enclose copies of relevant documents and extracts of relevant portions from the report of investigation or inspection, or other records.

(4) A show-cause notice issued shall be served on the information utility in the following manner—

- (a) by sending it to the information utility at its registered office, by registered post with acknowledgement due; and
- (b) by an appropriate electronic means to the email address provided by the information utility to the Board.

(5) The Disciplinary Committee shall dispose of the show-cause notice by a reasoned order in adherence to principles of natural justice.

(6) The Disciplinary Committee shall endeavor to dispose of the show-cause notice within a period of six months of the issue of the show-cause notice.

(7) The order in disposal of a show-cause notice may provide for—

- (a) no action;
- (b) warning;
- (c) any of the actions under Section 220(2) to (4); or
- (d) a reference to the Board to take any action under Section 220(5).

(8) The order passed under sub-regulation (7) shall not become effective until thirty days have elapsed from the date of issue of the order, unless the Disciplinary Committee states otherwise in the order along with the reasons for the same.

(9) The order passed under sub-regulation (7) shall be issued to the information utility immediately, and be published on the website of the Board.

If the order passed under sub-regulation (7) suspends or cancels the registration of the information utility, the Disciplinary Committee may require the information utility to—

- (a) discharge pending obligations;
- (b) continue its functions till such time as may be directed, only to enable users to transfer information stored with it to another information utility; and
- (c) comply with any other directions.

**42. Appeal.**—An appeal may be preferred under Section 211, within a period of thirty days of receipt of the order, in the manner prescribed in Part III of the <sup>14</sup>[National Company Law Appellate Tribunal Rules, 2016].
