A REPORT ON THE ECOURTS MISSION MODE PROJECT IN TRIPURA

INFRASTRUCTURE DEVELOPMENT

To make maximum utilization of ICT and to make the judicial processes and tasks more efficient and transparent, there was always a need to have the right ICT (Information & Communication Technology) infrastructure in place. The ICT infrastructure among other things would necessarily include PC clients/ thin clients, servers, printers, scanners, hubs, switches, routers along with cabling both data and electrical. After successful implementation of the eCourts Project-I, Phase-II is in place and the most important feature is the decentralization of the fund for the procurement of computer and its peripherals.

The Achievements in this regard made so far are as follows:

Out of 13 eCourt sites under Phase-I, the ICT/ CSR (Computer Server Room) Room preparation has been completed in all the 13 Court Complexes at Agartala, Bishalgarh, Sonamura, Khowai, Udaipur, Amarpur, Belonia, Sabroom, District Judge Complex, Kailashahar, Chief Judicial Magistrate Complex, Kailashahar, Dharmanagar, Kamalpur & Kanchanpur. In Phase-II of the eCourts project two new Court Complexes namely, Gandacherra and Longtharai Valley have been included and the establishing of ICT and CSR has been taken up. It is expected that within a month or so the same would be completed.

HARDWARE DEPLOYMENT & INSTALLATION

(Computer Servers, PCs, UPSs, Scanners, Printers, Display Board monitors, Kiosks, etc.)

In all the sites namely, Agartala, Bishalgarh, Sonamura, Khowai, Udaipur, Amarpur, Belonia, Sabroom, District Judge Complex, Kailashahar, Chief Judicial Magistrate Complex, Kailashahar, Dharmanagar, Gandacherra, Longtharai Valley, Kanchanpur & Kamalpur PCs, Printers, Display Board monitors, Kiosks has been installed. Computer Servers in 13 CCs have been installed and in the remaining two CCs, it will soon be installed.

DISTRIBUTION OF LAPTOP AND PRINTER TO JUDICIAL OFFICERS

62 Laptops and 57 printers were distributed among the Judicial officers under the eCourts Project in the year 2007 by the eCommittee. In the year 2013, 68 Laptops were distributed to the Judicial Officers by the State Govt. after the laptops received under eCourts project were obsolete. On appointment of new Judicial Officers 12 Laptops and 17 printers were procured in the year 2014 from the fund allotted by the State Govt. 15 Laptops and printers were again purchased in the year 2017 for the trainee Judicial Officers.

LOCAL AREA NETWORK (LAN) DEPLOYMENT & INSTALLATION

Out of 13 sites in Phase –I of the eCourts Project in 10 sites (Agartala, Bishalgarh, Sonamura, Khowai, DJ Kailashahar, CJM Kailashahar, Udaipur, Amarpur, Belonia, Sabroom installation of LAN could be successfully completed. It was however partially completed in 3 sites namely, Dharmanagar, Kamalpur, Kanchanpur during Phase-I. In phase-II of the project, LAN Materials have been installed in the remaining court complexes including the new Court Complexes in Phase-II of the project taking the total to 15 Court Complexes.

WIDE AREA NETWORK (WAN) CONNECTIVITY & DEDICATED INTERNET

To keep up with the advancement in computing technology, there will be a need of dedicated lease line connectivity of minimum 2 mbps speed at all the Court Complexes. 15 Court Complexes including Gandacherra & Longtharai Valley have been successfully integrated with SWAN PoP. District Courts of Tripura would soon be extended Internet connectivity through optical fibre with minimum 4 mbps speed and in this regard BSNL authorities are making a survey. We are hopeful that within the year 2018, Internet connectivity through optical fibre in all the Court complexes of the State would be completed.

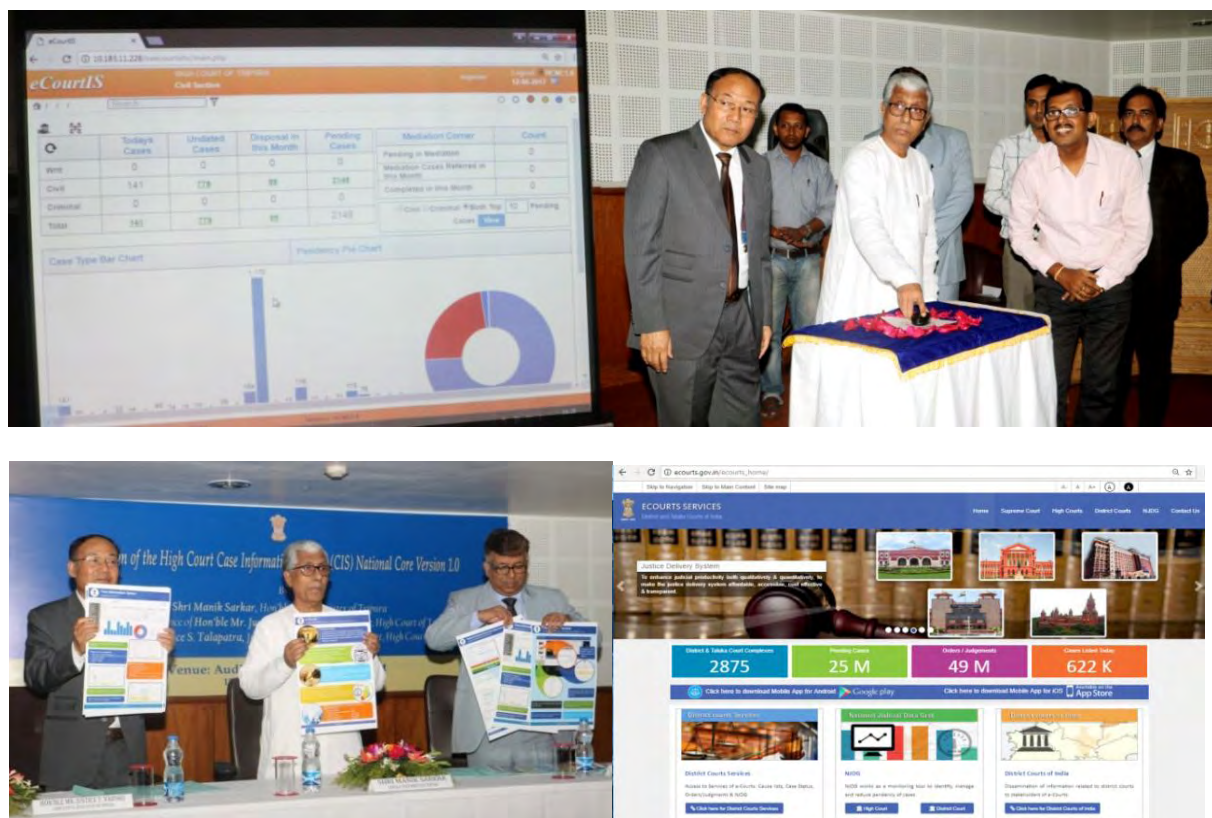

IMPLEMENTATION OF CIS 2.0 NATIONAL CORE VERSION IN THE DISTRICT AND SUBORDINATE COURTS

In Phase- II of the project, CIS 2.0 NC Version has been implemented in Tripura and data has been successfully migrated within the mid part of the year 2016. It is expected that a new version of CIS 3.0 NC Version would soon be released by the eCommittee, Hon'ble Supreme Court with more features.

IMPLEMENTATION OF CIS 1.0 NATIONAL CORE VERSION IN THE HIGH COURT OF TRIPURA

New High Court CIS National Core Version 1.0 for the High Court of Tripura, on being released by the eCommittee, Hon'ble Supreme Court of India, came in action on and from 12th May, 2017.

JUDICIAL SERVICE CENTERS AND DAILY UPDATION OF CIS DATA IN THE NATIONAL JUDICIAL DATA GRID (NJDG)

Citizens can now avail services through Judicial Service Centres located in each of the 12 court Complexes. These include filing of cases, information about case status etc.

Judicial Service Centres would soon be established in the Court Complexes of Kanchanpur, Gandacherra and Longtharai Valley.

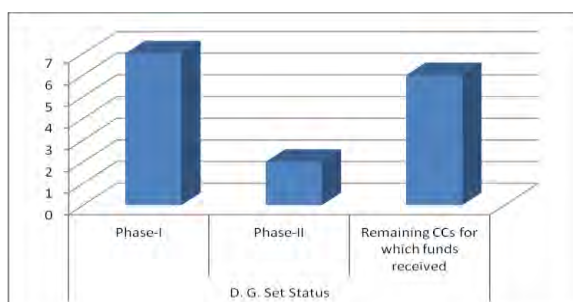

The National Judicial Data Grid is a part of the on-going e-Courts Integrated Mission Mode Project. NJDG is working as a monitoring tool to identify, manage & reduce pendency of cases. It helps in providing timely inputs in making policy decisions in reducing delay and arrears in the

system thereby facilitating better monitoring of court performance and also facilitating better resource management.

During Phase-I, 12 court Complexes namely; Agartala, Bishalgarh, Sonamura, Khowai, Udaipur, Amarpur, Belonia, Sabroom, District Judge Complex, Kailashahar, Chief Judicial Magistrate Complex, Kailashahar, Dharmanagar & Kamalpur have been linked with the National Judicial Data Grid and from then on it became very much essential to upload the cases daily to the NJDG for access of the citizens of India. Steps have also been taken in linking these courts with the NJDG Server.

DIESEL GENERATOR (D.G) SET

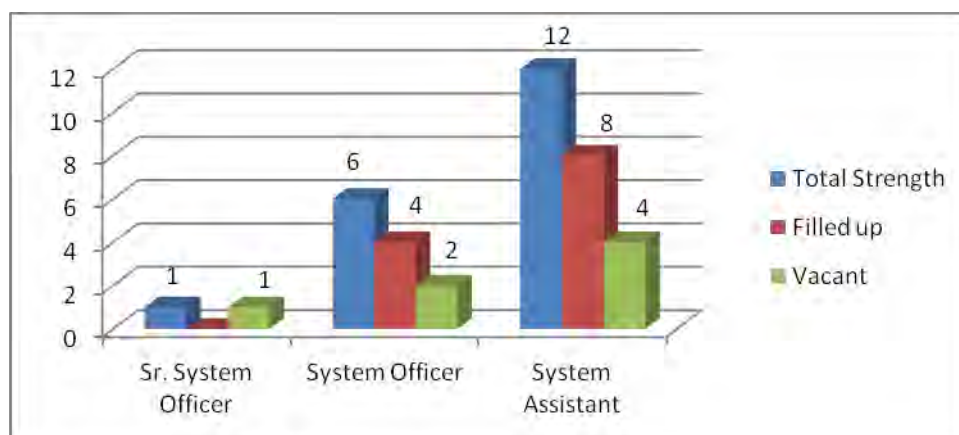

The Diesel Generator (D.G) sets are used in places without connection to a power grid, or as emergency power supply as and when the grid fails. In Phase-I of the eCourts Project 5KVA DG set with power back-up was provided in the 7 (seven) Court Complexes of Tripura (Agartala, Bishalgarh, Khowai, Udaipur, Amarpur, Belonia & Sabroom) for providing power back-up to the ICT room and Judicial Service Centre (JSC). In Phase-II of the project 2 (two) Court Complexes at Kailashahar have also been provided with DG sets. Funds have been received for the procurement of DG set for the remaining 6 (six) Court Complexes and within a couple of months DG set will also be installed.
